After the great success of the WAC 2015 and 2016 for women's and male choirs the „AS Musikverlag (Tholey/Saar)“ and the Composer Alwin Michael Schronen organize once again this extraordinary competition in 2017:

The international Video-Competition WAC Contest 2017 for MIXED CHOIRS.

In the international Video Competition 2017 for MIXED CHOIRS you can win a very special prize: a new a cappella composition of Alwin Michael Schronen dedicated to the winner and specifically tailored to the choir. There is also an Audience Award.

How it works: A MIXED CHOIR sings a given choral work of SCHRONEN. There are three difficulty levels, each with a choral work in a low, medium and in a high difficulty level. The choir must record the choral work on video and upload it to YouTube.

The composer and the 13-member high-profile international jury (USA, Japan, Netherlands, Germany) determine the winners among all the videos.

The members of the jury:

1. Jürgen Fassbender – Germany
2. Dr. Tim Koch – USA
3. Hans-Joachim Lustig - Germany
4. Dion Ritten – Netherlands
5. Prof. Jan Schumacher – Germany
6. Martin Winkler - Germany
7. Chunlung Lin – Taiwan

11. Tristan Meister – Germany
12. Jonathan Bligh – Australia
13. Thorsten Weber – Austria
14. Julia Gerber – Germany
15. Composer Alwin Michael Schronen - Germany

The choir whose performance contribution receives the most "Likes (thumbs up)" on YouTube wins the Audience Award and that means a voucher of 500 euros from AS Musikverlag.
